

Dragonboat Race

To paddle a dragonboat with your colleagues is the ultimate teambuilding activity. The goal is to paddle faster and straighter than the opponents in a 250 meter course. The dragonboat is paddled by 13 or 24 people depending on how large the group is. Each team appoint a drummer who'll set the pace for the paddlers. A warm up is held on dry land with some practise paddeling and creating of a team fight song. When the teams are ready for the water, competition begins! In total the activity is a perfect combination of teamspirit and fun.
